COMPANY ANNOUNCEMENT

Market Update

On 5 July 2010, Willmott Forests Limited (ASX: WFL) (“the Company”) announced that the Board and management of Willmott Forests were undertaking actions to address challenges for the Company arising from a lower than expected level of FY2010 sales. The Company requested and was granted a suspension of its securities from official quotation by the ASX to enable sufficient time to complete a detailed review of the business.

The Board and senior management of Willmott Forests continue to work diligently through the review process which includes development of a comprehensive capital management plan for consideration by the Company’s financiers.

Willmott Forests will inform the market of the review outcomes when it is completed and intends to lodge its Preliminary Final Report for the year ended 30 June 2010 at that time.
